

# STATIC PRAYER SCIENCE EXPERIMENT

## Instructions:

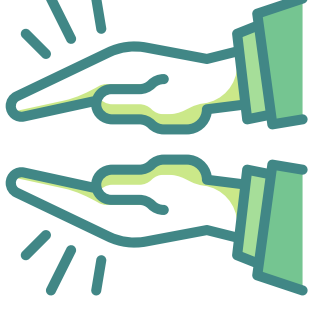

Blow up the balloon and then rub it against the carpet or your clothes to make static.

Hold a piece of square tissue and say a prayer and then place it on the balloon and it will stick.

## Lesson:

When we say a prayer, it sticks to God. He listens to all of our prayers and he takes care of our problems. When he takes our prayers, we don't have to worry about them. So pray about everything.
